Dear Mr. Braxton:

Subject: Request for Extension of Submittal of Form MR-AR

Due to the time involved in producing the 1993 disturbance maps and updated surface configurations, Barrick is requesting an extension of submittal of form MR-AR, Annual Report of Mining Operations, until March 31, 1994. We feel that this extension will allow us adequate time to prepare a complete annual report.

Please contact me at extension 335 should you have any questions concerning this request.

Respectfully,

David P. Beatty
